Dear Madam or Sir,

the publication of the public registration of your trademark is the basis of our offer. We offer you the registration of your brand in our private database www.tm-register.com. Our offer is accepted with the payment of the entire publication fee and becomes a binding contract between you and TM. The contract is irrevocable and legally binding for three years, starting with your payment. Please note that this private publication is not linked to the public of official notifications and is not a registration of government organizations, and we do not have a business relationship yet. This is an offer for entry into database www.tm-register.com. This is not an invoice. You are not required to pay the above amount, unless you accept this offer. All further details are given in our General Terms and Conditions on our website. If you need help or answers, please contact us at info@tm-register.com.
